Earth Youth Summit in KYOTO 2026

地球環境ユースサミット in KYOTO 2026

Dialogue for the Future of the Earth

Join high school students from around the globe to debate SDGs and social issues, and collaborate to ignite real action for a brighter future!

Mar~Jul

Aug

Aug~Oct

Input & Discussion

Deepen your knowledge of the SDGs and leadership through online seminars, and devise solutions for specific themes through group discussions

Keihoku Summit

Participate in the 3-day summit in Kyoto to refine your group's solutions based on field-based learning and professional feedback

Action & Propose

Carry out your team's action plan and present your results to the world at the final presentation! (includes announcements of awards)

Eligibility

Must be a high school student as of 2026 (motivated third-year junior high school students are also eligible)

Deadline

By 11:59 PM JST on Saturday, March 7th, 2026
